Education

Technical Writing Certificate| Sep 2023 - ONWARDS

- British Columbia Institute of Technology
- Gained hands-on experience in creating user documentation, API reference guides, and instructional materials tailored to specific audiences.
- Reinforced expertise in the Microsoft Office Suite, including Word and Excel, for creating professional documentation.
- Learned MadCap Flare at a beginner level, developing single-sourced, multi-channel publishing projects.
- Completed projects including an API request guide with Postman, a Persona 5 Royal user help system, and ADP Workforce Now documentation for retail employees.
- Developed strong skills in audience analysis, technical editing, and information design, with a focus on clarity and usability.

Bachelor of Arts – English Language Emphasis | Sep 2018-MAY 2023

- University of British Columbia, Vancouver, B.C.
- Graduated with Distinction.

Experience

CAREGIVER| FAMILY | 2014– JUNE 2024

SALES ASSOCIATE/KEYHOLDER | DAISO | MAY 2022 – AUGUST 2023

- Greeting and directing customers.
- Answering customers' questions about specific products.
- Organizing merchandise on shelves and restocking them when they become low or empty.
- Ability to use the cash register, accurately processing cash, check credit card payments, returns, and exchanges.
- Assist in maintaining the back stock room and setting up merchandise displays on the sales floor.
- Collaborating with fellow team members to keep the sales floor area clean and organized at all times.
- Carry out other store administrative tasks as directed by the Store Manager or Assistant Manager.
- Store Opening/Closing responsibilities.

FSWEP STUDENT | SERVICE CANADA CERB CALL CENTRE (WORK FROM HOME) | MAY – SEPTEMBER 2020

- Answering inbound calls from clients in a friendly and courteous manner.
- Provide information on the CERB program in response to questions regarding eligibility, application process, and escalating to other departments should the client require more specialized help.
- Adapt to the CERB's constantly changing guidelines and procedures.

Skills

- Writing: Crafting clear, concise, and audience-targeted technical documentation.
- Editing & Proofreading: Ensuring grammatical accuracy, consistency, and adherence to style guides.
- Organization: Managing multiple documentation projects with attention to detail and deadlines.
